

# PROACTIVE EDUCATION NEWS

July 2019

**Proactive Education is delighted** to be have started new business relationships with Brooke Weston Academy, Thomas Becket School, DSLV, Daventry Sixth Form and Uppingham School and is looking forward to working with them all in the new academic year. We also welcome a new member of staff, Zoe Canham, from September. She will chiefly be working as a marketing co-ordinator.

Our international students have already started joining various companies nationwide to do their four weeks' work experience as they have now completed their second year at university. We are really grateful to all the businesses who have got involved with this project.

---

## School Events

Proactive has had a brilliant year helping with employer engagement events in the local schools. Thanks to all students, staff and employers and we look forward to another exciting academic year ahead.

Do remember to get in touch with Sam or Hilary to arrange dates for employer engagement events for the autumn term as we are already getting busy with school events up until Christmas. Contact Sam direct on 07702 048618 or mail to [samantha@proactiveeducation.co.uk](mailto:samantha@proactiveeducation.co.uk) or [hilary@proactiveeducation.co.uk](mailto:hilary@proactiveeducation.co.uk).

**Please look out for our new website.  
Coming in January 2020!**

## Work Experience

Well done to students who have recently completed their work experience. Thank you to all companies who have kindly taken students and given them an invaluable insight into the world of work. We look forward to reading feedback from both students and employers. As usual, this can be done through the database using your log in and password. The functionality on our system has been updated recently following discussions with teaching staff - please take a look and have a great summer break!
