

## The Proactive Education Newsletter

Working together to inspire young people

Hello from the Proactive Education team, there are some new faces...(From left to right)

Hilary - Office Manager, Samantha - Head of Business Engagement, Zoë - Marketing Co-ordinator, Jan - Work Experience Co-ordinator, Victoria - Project Co-ordinator and Nicholas - Head of Work Experience.

Proactive has had a busy start to the academic year with lots of exciting employer engagement events in the local schools. We have supported Daventry sixth form colleges cream tea, Sponne school question time, Guilsborough school coffee shop enterprise event and careers fair, Kingsthorpe college business breakfast and speed interviews and Shenley Brook End school business breakfast.

We've had some brilliant feedback from the schools, here's a lovely testimonial from Kingsthorpe College "Just wanted to say a big thanks, the event today was superbly organised as always and I'm really pleased with it. There was extremely positive feedback all round from staff who were there and witnessed it and from students. I'm really proud that we are able to offer something like that to students - I hope someone does the same for my kids when they are in 6th form!"

Also, positive words from a business who supported us at the question time event...

"Really enjoyed the event at Sponne School as always. I'm always impressed by how well organised the Proactive events are and how well they run. This one was smooth as silk as always."

Finally, we are on the look out for companies to help with work experience placements for university students. If you can help, please get in touch!

### **The Proactive Team**

Wishing you all a very Merry Christmas and a Happy New Year, from the Proactive Team!

Introducing Ask Fred, he can be found on the Proactive Education website. Ask him any questions you have.

### Welcome to the team

Victoria Akbik joins us as our new Project Co-ordinator, she will be looking after our County Council initiatives.

Proactive Education is delighted to have started a new business relationship with Wootton Park School, Northampton.
